ULTRA KLEAN

ULTRA KLEAN detox products have been meticulously developed to support the body's natural eliminatory organs in removing unwanted toxins. With over two decades of industry experience, our company has honed its expertise in creating, formulating, and testing the highest quality detoxification products available in the market.

ULTRA MASK is a carbohydrate-based liquid detox cleansing formula. Easy to use instructions: Just shake and drink. After 15 minutes refill the bottle with water and drink. Urinate at least 2-3 times. Completely cleanses all toxins 1-5 hours after consumption.

ULTRA CLEANSE is an all-in-one shampoo and conditioner in a small, convenient 57 mL bottle. Just shampoo, massage into hair and scalp for 3-5 minutes, rinse and repeat, and your hair is completely cleansed of toxins. Hair can be styled or blow dried as usual.

ULTRA WASH Saliva Cleansing Mouthwash is designed to effectively remove all toxins from saliva. Packaged in a convenient 30 mL bottle, Ultra Wash offers ease of use and portability. To use, swish half the bottle's contents in your mouth for 2–3 minutes, spit out, and repeat the process with the remaining half. The product remains effective for up to 30 minutes following use.

POWERFLUSH Herbal Cleansing Capsules. To use, take seven capsules with a 700 mL glass of water. Repeat every 20 minutes until all herbal capsules are consumed. Take vitamin B-complex and creatine monohydrate capsules after consuming the herbal capsules. Finish taking capsules just prior to your desired time to be cleansed. Effective for up to five hours.

POWERFLUSH 7 Day Permanent Cleansing Capsules. To use, days 1-6: Take one packet of seven capsules in the morning with 600 mL of water. Take another packet of seven capsules in the afternoon with 600 mL of water. Take the capsules between meals on an empty stomach.
Day 7: Same instructions as days 1-6. Take vitamin B-complex and creatine monohydrate capsules with the last packet of herbal capsules.

ULTRA KLEAN

HIGH TOXIN LEVELS: Customers who have extremely high toxin levels, classified as individuals who have daily toxin exposure over an extended duration, should use POWER FLUSH Herbal Cleansing Capsules prior to using ULTRA MASK 1 Hour Liquid Formula. For optimal results, finish taking POWER FLUSH one hour prior to using ULTRA MASK.

ACHIEVING OPTIMAL RESULTS: Avoid all toxins and unnecessary medications 24-72 Hours prior to using ULTRA KLEAN products. Many over the counter and prescription medications will produce false-positive test results. Drinking plenty of water the days prior to using ULTRA KLEAN products, this will help lower the body's toxicity level. Avoid alcohol within 24 hours of using this product, since alcohol dehydrates the body. If your body is dehydrated, you will not be able to effectively flush toxins from your body.

ULTRA PURE 57 mL Synthetic Urine Kit is designed for utmost discretion. ULTRA PURE synthetic urine is made for both adult males & females and comes complete with a heat pad, silent squeeze bottle and rubber band. Upon examination, this synthetic urine exhibits all the natural characteristics of human urine. This kit is user-friendly and can be used by anyone by simply following the instructions provided on the packaging and detailed below.

This synthetic urine product has a three-year shelf life from date of manufacture.

ULTRA KLEAN

How to use the ULTRA PURE Synthetic Urine Kit:

Step 1: Shake contents of the bottle before placing in a microwave oven, heat for 10 seconds on high to reach the optimal temperature of 28-32°C.

Step 2: If you do not have access to a microwave oven, shake the provided heat pad to activate and attach the heat pad to the bottle with the rubber band for 45-60 minutes to reach the optimal temperature of 28-32°C.

Step 3: Before providing a urine sample, store the synthetic urine with the heating pad to maintain a body-like temperature. The temperature strip located on the front of the bottle should read between 28-32°C.

Step 4: ULTRA PURE synthetic urine is now ready for use.

Individual results may vary, however since 2002 ULTRA KLEAN dissatisfaction rate is less than 1%.
